Let time stand still...

MY PURITY CLASSIC
By My Purity Spa

LYMPHODRENAGE

50min | 110€

Massage with specific manual essential for eliminating excess fluids. The manual mechanical action that is exerted at the level of the areas affecting the lymphatic system drain the lymphatic fluids that stagnating in the tissues creating various problems in our body.

CONNETTIVAL

50min | 110€

A deep massage technique that works on various levels. This massage peculiarity is to unlock connective tissue, improving lymphatic circulation and tissue metabolism; it is also excellent as decontractor.

MY PURITY RELAX

By My Purity Spa

WELCOME MASSAGE

30min | 60€

Welcome massage specifically for the back. Ideal to relax and releasing tension that accumulates at the level of the paravertebral, trapezius and lumbar area whose ultimate goal is to relieve current pain and stiffness to prevent future complications.

HYDRA MASSAGE

30min | 60€

Short full-body massage ideal to be performed at the end of the spa path when the skin, thanks to the heat baths, has dilated pores and is well prepared to absorb the moisturizing and nourishing My Purity Citrus oil blend. The maneuvers, gentle and repeated strokes, allow the oils to penetrate deeply, relaxing body and mind.

NEW SKIN

30min | 60€

Body scrub that thanks to the more or less intense exfoliating action of the granular compound combined with nourishing oils removes the superficial horny layer, thus ridding the skin of dead cells that make it asphyxiated and dull.

RELAX MASSAGE

50min | 110€

Immerse yourself in a gentle, enveloping massage, where repeated, relaxing movements free the mind of all worries and thoughts.

Through this practice, muscles relax deeply and tensions dissolve, making way for a feeling of total well-being.

Stress becomes only a distant memory, allowing you to fully enjoy this one moment of peace and relaxation.

SWEET CANDLE MASSAGE

50min | 130€

Delight yourself with an aromatic sensory total body massage, characterized by the use of special candles made from oils and butters of plant origin and enhanced with various delicate fragrances from which you can choose. Lighting these candles transforms the room into an oasis of tranquility, generating a delicate warm scented oil that massaged into the skin gives it a moisturized and velvety appearance.

MY PURITY ORIGINAL
By My Purity Spa

HOT STONE MASSAGE

50min | 130€

Discover a holistic treatment that expertly blends relaxing and decontracting manual techniques performed with nourishing warm oils with volcanic basalt stone strokes for deep and lasting well-being.

PINDASWEDA

50min | 130€

Taking a cue from ancient Ayurvedic rituals, performed with boluses filled with salt and beneficial aromas, we created this massage that takes full advantage of the muscle-relaxing potential of heat combined with the diverse therapeutic properties of herbs.

SOUND MASSAGE WITH TIBETAN BELLS

30min | 60€

Thanks to the harmonious vibrations, produced by the Tibetan bells, body and mind will be rebalanced giving you a total well-being. In this sensory experience, the massage is given by the vibration produced by the sound of the Tibetan bells that, through the water in our body, expands throughout the body. The immediate effect will be the unblocking of the chakras and the energetic rebalancing of the whole body.

MY PURITY RITUAL

By My Purity Spa

NEW SKIN & RELAX

80min | 170€

This treatment, which combines body exfoliation with a relaxing massage, is the ideal combination to renew and hydrate the superficial epidermal layer while indulging in a moment of pure pleasure. The combination of scrub and massage with "My Purity Spa" oils give the skin a smooth, velvety and radiant appearance combined with a feeling of absolute well-being and relaxation.

ABSOLUTE DREN

80min | 170€

Specific treatment for legs useful for relieving the feeling of swelling and tiredness in the lower limbs. After a lymphatic drainage massage, according to the client's needs and requests, the operator will choose between mud-gel and different types of bandages the ideal treatment to give the legs a newfound feeling of lightness and freshness.

MY PURITY CARE

110min | 240€

Immerse yourself in three distinct rituals. Three authentic oases of absolute well-being and pleasure, where you will be thoroughly pampered for the duration of the treatment. These rituals are a true celebration of relaxation, involving not only the body but also the face, offering an integral relaxation experience. Scrub, mud-gel, facial massage and finally body massage will be carried out with targeted products, different according to the type of ritual chosen: RELAX MY PURITY SPA perfect for finding balance relaxation and peace both physically and psychically DREN, to eliminate excess fluids, reducing tension and overwork. FIRMING, to firm and tone tissues and loosen tensions accumulated over time

MY PURITY FACE By My Purity Spa

MY PURITY FACE

30min | 60€

A gentle, gentle facial massage that, drawing on the knowledge of Chinese facial reflexology, has a restorative effect on the entire body.

After cleansing, the cadenced and repeated maneuvers bring the client to deep relaxation.

The reflex points, gently stimulated, rebalance the entire organism while the invigorating massage manuals, combined with the effectiveness of our "My Purity Original" formulations, more than 96% plant origin, rich in exclusive functional substances aimed at restoring nutrition, hydration, tone, luminosity and freshness to the skin, will regenerate the tissues giving a fresh and oxygenated appearance to the facial complexion.

MY PURITY FACE + MASK

50min | 110€

Treatment complete with a final mask to renew the energy and tone of the facial skin.

It will begin with a gentle and delicate cleansing followed by an exfoliation to remove the superficial horny layer.

A massage will then be performed using the most suitable of our "My Purity Original" line of creams, with formulations of more than 96% plant origin, rich in exclusive functional substances aimed at restoring firmness, luminosity and freshness to the skin, which will regenerate the tissues giving a fresh and oxygenated appearance to the complexion of the face.

Finally, the mask will bring additional hydration and nourishment to the tissues to give a more oxygenated, regenerated and visibly rejuvenated appearance to the facial features.
